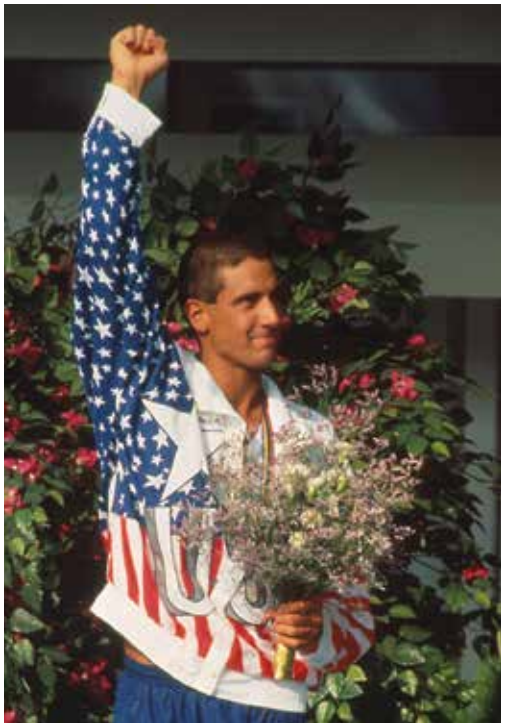
THIS IS NEBRASKA

Nebraska women's swimming and diving has a long history of success. The Huskers have finished in the top 12 at the NCAA Championships five times since 1995. All time, 58 Husker swimmers and divers have combined for 254 NCAA All-America awards with the most recent coming from diver Anna Filipcic in 2016. Nebraska has produced 11 Olympians, including gold medalist and world-record holder Penny Heyns. Huskers have participated in eight consecutive Olympic Games, including six straight from Therese Alshammar, who became the first female in history to accomplish the feat as a swimmer at the Rio Games in 2016. In addition to individual success, Nebraska swimming and diving has claimed 10 conference team championships and 10 more runner-up finishes.

Coached by Olympic Gold Medalist and Academic All-America Hall of Fame inductee Pablo Morales, the Huskers have annually been one of the nation's best teams academically. The 2016 Huskers won their second straight Herman Team GPA Award, which is presented to the Nebraska women's program with the best cumulative grade-point average. The Huskers are also a four-time Nebraska Life Skills Team Award winner (2010, 2012, 2013, 2014).

In academics, athletics and life, There is No Place Like Nebraska.

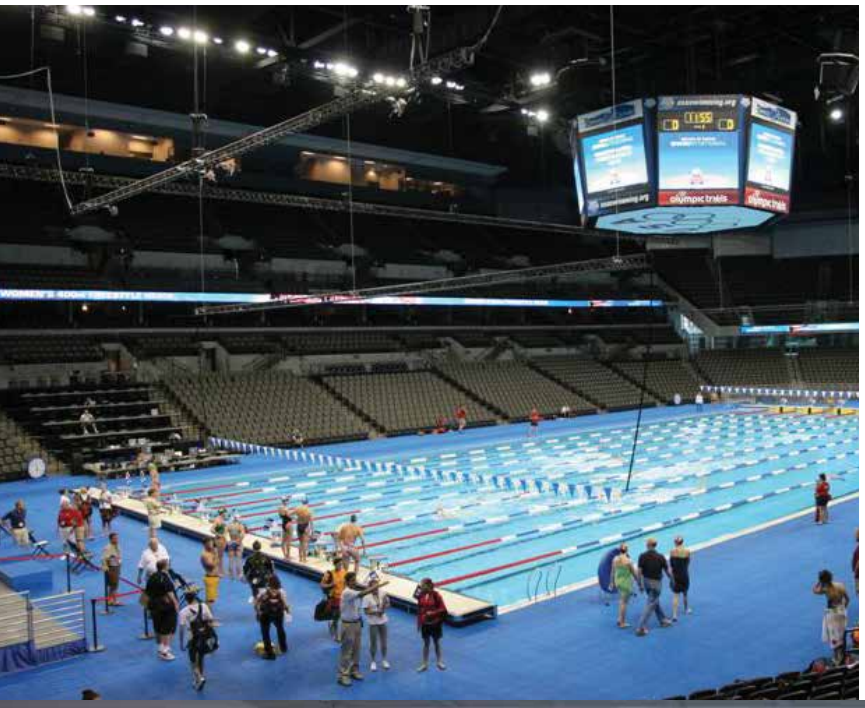


Top: A two-time captain for the Huskers, Erin Oeltjen produced a pair of top-16 finishes at the 2016 Big Ten Championships before competing in both the 100- and 200-meter backstrokes at the 2016 U.S. Olympic Swimming Trials in Omaha. She ended the summer of the 2016 with a 17th-place finish in the 200 back at the U.S. Open in Minneapolis.

Middle: Anna Filipcic brought home Nebraska's most recent All-America award with her 10th-place finish in the one-meter dive at the 2016 NCAA Championships. Filipcic, a three-time NCAA Championships qualifier, continues a rich diving tradition at Nebraska that includes 1988 Olympian Wendy Lucero.

Left: One of the most decorated swimmers in U.S. history, Nebraska Coach Pablo Morales was an 11-time NCAA champion at Stanford, and won five combined medals at the 1984 and 1992 Olympic Games, including three golds and a pair of silvers. Morales also served on the committee for the 2008 U.S. Olympic Swimming Trials in Omaha. The event returned to Omaha in 2012 and 2016.

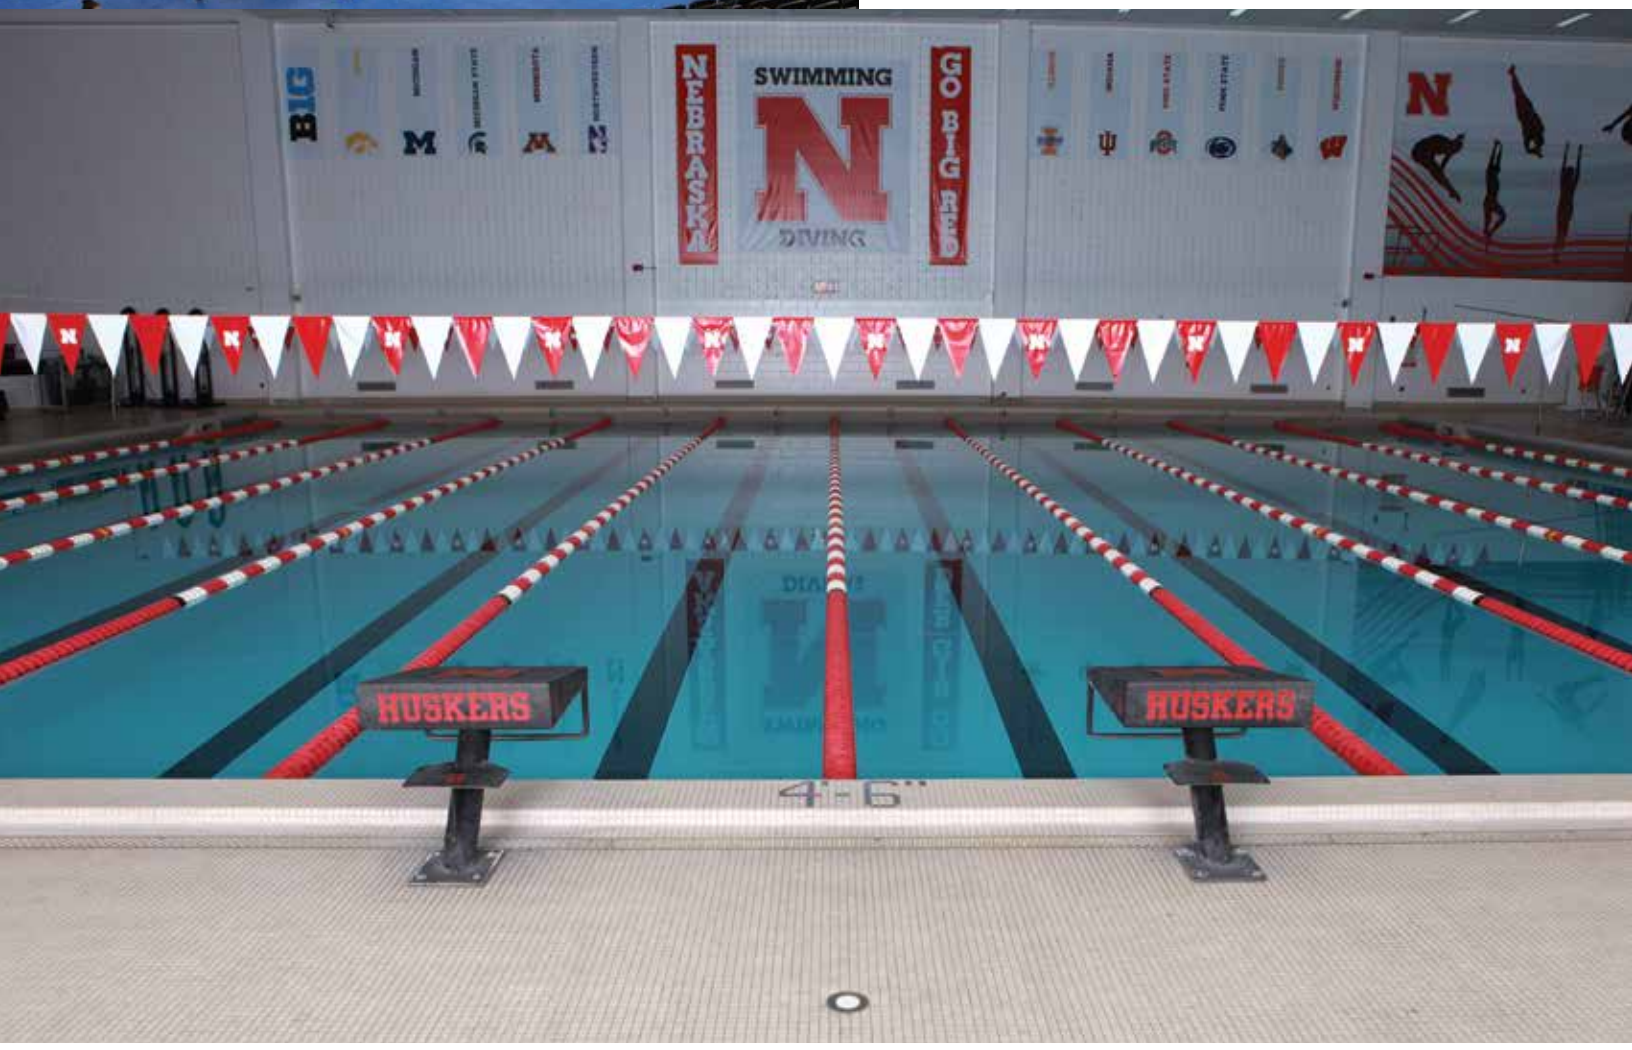
SWIMMING & DIVING



Nebraska swimming and diving utilizes top-notch facilities. Nearly every Husker sport enjoys a venue that ranks among the nation's best. Nebraska is dedicated to providing its athletes the best game-day and practice atmospheres in every sport.

Movement analyzers, an electronic timing system and updated weight facilities make the Devaney Natatorium (bottom) a leader in technology. The Huskers have also received a new locker room and team ready room.

The state of Nebraska has also been an important stop for swimmers on their way to Olympic glory for the past decade. In 2008, 2012 and 2016, Omaha's CenturyLink Center (left) served as the home of the U.S. Olympic Trials.



CHAMPIONSHIP FACILITIES

From training facilities to competition venues, Nebraska's athletic facilities are second-to-none across the collegiate landscape. From Memorial Stadium to Pinnacle Bank Arena and the Bob Devaney Sports Center, Husker student-athletes have the benefits of training and competing in some of the nation's finest facilities. Fans around the country follow the Huskers with amazing passion across all sports. In 2015-16, Nebraska finished second in the nation in attendance across its seven primary team sports, attracting more than 1.3 million fans to its home stadiums and arenas. Overall, 10 of Nebraska's sports ranked among the top-15 nationally in attendance in 2015-16.

HUSKER POWER

The model strength and conditioning program in the nation, Husker Power plays a major role in the success of Nebraska athletics. Nebraska's strength program was the first in the nation. With 14 staff members, including Women's Swimming and Diving Strength and Conditioning Coach Rusty Ruffcorn, it is one of the most comprehensive organizations in the country.

Nebraska's strength training facilities have set the standard in collegiate strength training since the early 1970s. Not only does it feature the Ndamukong Suh Strength and Conditioning Center in the Osborne Athletic Complex, it also features a weight room utilized by the swimming and diving team in the Hendricks Training Complex that opened in 2011.

"The University of Nebraska strength and development program is the model for others in the country."

Phillip Hage, Editor, Physician and Sports Medicine Magazine

THREE REASONS FOR SUCCESS

Program - The Husker Power Strength and Conditioning Program is geared for maximum improvement of performance in the pool. Each athlete receives their own individual computerized program each year.

Supervision - The Husker Power staff has 14 full-time strength and conditioning specialists, including Women's Swimming and Diving Strength and Conditioning Coach Rusty Ruffcorn. He works directly with the swimming and diving program to help Husker student-athletes prepare for successful athletic careers.

Facilities - The Ndamukong Suh Strength and Conditioning Center in the Osborne Athletic Complex is the finest all-around athletic facility in the nation, providing athletes with all the tools necessary to achieve at the highest level.

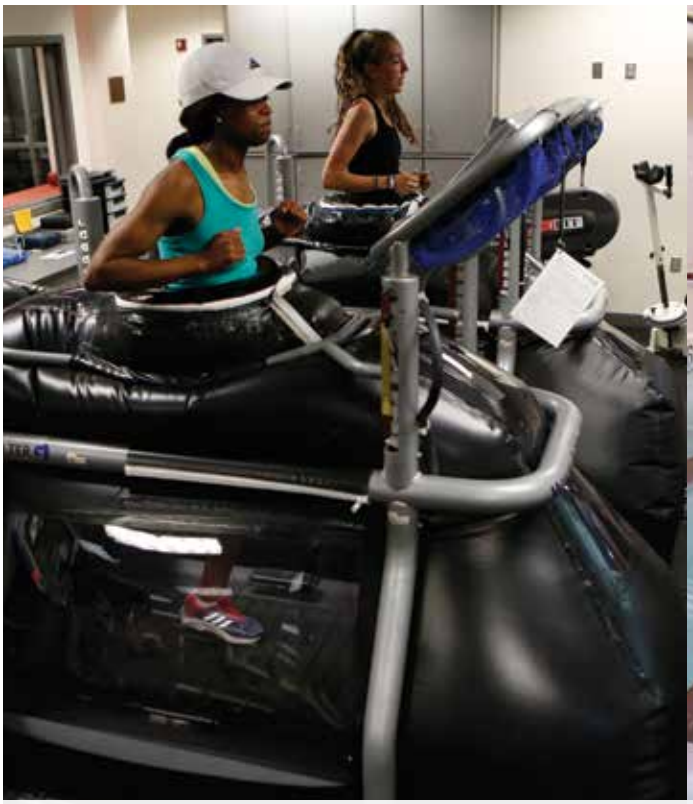
ATHLETIC MEDICINE

ATHLETIC MEDICINE

Providing expert care to more than 600 Husker student-athletes, Nebraska features one of the most well-trained and highly skilled athletic medicine staffs in the country. Under the guidance of Director of Athletic Medicine Dr. Lonnie Albers and Head Athletic Trainer and Physical Therapist Jerry Weber, the 2016-17 Nebraska athletic medicine staff consists of five doctors, 14 full-time athletic trainers, eight graduate assistant athletic trainers, two full-time in-house athletic psychologist and sports psychiatry consultants who work directly with student-athletes.

Nebraska's medical facilities have long been among the nation's best, and NU's athletic medicine center within the Tom and Nancy Osborne Athletic Complex will keep the Huskers on the front line of technology for decades to come. In addition to Nebraska's North Stadium facility, Haymarket Park, the Bob Devaney Sports Center, Pinnacle Bank Arena and the Nebraska Soccer and Tennis Complex all feature athletic medicine areas. The Devaney Center's Athletic Medicine facility underwent an extensive expansion as part of the Hendricks Training Complex addition in 2011.

CARING FOR HUSKERS



Nebraska uses advanced equipment to help athletes recondition after injury.

Nebraska's Athletic Medicine Center features a hydrotherapy area that includes a three-level laned pool. The Hydroworx 1000 Treadmill Pool is equipped with two cameras underwater for evaluation and assessment.

The hot and cold plunge tanks in the Holthus Family Hydrotherapy area help the Huskers recover after workouts and injuries.

Nebraska's on-site medical services for student-athletes rank among the nation's best. Dr. Lonnie Albers, Head Athletic Trainer Jerry Weber (pictured) and the Athletic Medicine staff have their own X-ray equipment at Memorial Stadium.

ACADEMIC EXCELLENCE

Nebraska increased its nation-leading total of CoSIDA Academic All-America awards to 325, adding five Huskers in 2015-16. Senior guard Shavon Shields (Olathe, Kan., Biological Sciences) earned his second consecutive first-team Academic All-America award in men's basketball before being named Nebraska's Male Student-Athlete of the Year. Shields (pictured right with Director of Athletics Shawn Eichorst) was also a member of the Allstate NABC Good Works Team for his outstanding community service. He was joined by Nebraska Female Student-Athlete-of-the-Year Mattie Fowler (Tucson, Ariz., Finance) as a first-team Academic All-American in 2015-16. Fowler (pictured below) was the President of the Nebraska Student-Athlete Advisory Board in 2014-15. She and Shields were Nebraska's Big Ten Medal of Honor winners in 2015-16.

The Nebraska men's track and field team continued its extraordinary run of CoSIDA Academic All-America success with three-time first-team honoree Levi Gipson (Lincoln, Neb., Nutrition, Exercise and Health Science) and fellow first-team award winner Cody Rush (Grand Island, Neb., Nutrition Science). Rush, who earned second-team CoSIDA Academic All-America accolades in 2014, joined baseball outfielder Ryan Boldt (Red Wing, Minn., Nutrition Science) as a two-time honoree. Boldt also earned third-team recognition in 2015.

Graduation is the ultimate achievement, and 109 Husker student-athletes earned undergraduate and graduate degrees in three commencement exercises at Pinnacle Bank Arena in 2015-16.

A total of 109 Nebraska student-athletes earned their degrees in 2015-16, including 62 in May 2016, 39 in December 2015 and eight in August 2015. Taryn Collura (above left) earned her bachelor's degree in May before competing at the U.S. Olympic Trials at the CenturyLink Center in Omaha in June. A psychology major, Collura was named a Big Ten Distinguished Scholar in 2016 and was a three-time academic All-Big Ten selection. Krista Van Wie (above right) also earned her degree from Nebraska in May of 2016 after majoring in psychology. Van Wie was a two-time Big Ten Distinguished Scholar and a two-time academic All-Big Ten selection.

HONORING ACHIEVEMENT

Eight Huskers earned Outstanding Scholar Awards in 2015-16. The seniors with 3.900 GPAs or better were Melanie Blum (Track and Field), Michaela Cunningham (Swimming and Diving, pictured above), Levi Gipson (Track and Field), Lane Hovey (Football), Ryan Irick (Men's Gymnastics), Katie Kraeutner (Soccer), Ethan Lottman (Men's Gymnastics) and Cody Rush (Track and Field).

In 2015-16, 109 Huskers earned their college degrees including senior track and field standout Levi Gipson. Gipson became just the second three-time first-team CoSIDA Academic All-American across all sports at Nebraska, while adding prestigious NCAA and Big Ten Postgraduate scholarships worth a total of $15,000. Gipson was also a seven-time All-American.

Nebraska student-athletes regularly earn prestigious postgraduate scholarships from the Big Ten and NCAA. That tradition continued in 2015-16, as two-time CoSIDA Academic All-American Cody Rush earned a $10,000 Wayne Duke Postgraduate Scholarship from the Big Ten before claiming an NCAA Postgraduate Scholarship worth $7,500. Rush was also an 11-time All-American.

Junior outfielder Ryan Boldt earned his second CoSIDA Academic All-America award in 2016, after helping the Nebraska baseball team to the NCAA Tournament. Boldt, who was a member of the Golden Spikes Award Midseason Watch List, was a second-round pick of the Tampa Bay Rays in the 2016 Major League Baseball Draft.

ACADEMIC EXPERIENCE

"I loved the people at Nebraska. Immediately after the Olympics in Atlanta, I returned to Lincoln for a few days. I was overwhelmed by the support of the local people and their genuine celebration of my achievements."

Penny Heyns, Two-Time Olympic Gold Medalist, South Africa
Nebraska Athletics Hall of Fame Inductee (2015)

The athletic academic unit, located in the Dick and Peg Herman Family Student Life Complex, provides personal and academic support to ensure that student-athletes will get the most out of their years as Huskers. Featuring one of the most innovative and comprehensive academic support systems in the country, Nebraska is dedicated to helping its student-athletes become outstanding leaders in their chosen fields. The academic support team is composed of 14 full-time staff members and is certified by the National Association of Academic Advisors for Athletics (N4A).

ACADEMIC COUNSELING

Seven academic counselors, three learning specialists and two assistant academic counselors are in place to monitor daily academic progress, receive consistent course feedback, assist with the advising/registration process and monitor continuing eligibility and progress toward graduation.

TUTORIAL SUPPORT

A tremendous resource for all academic abilities, unlimited tutorial support from approximately 120 tutors on staff is available from day one up to college graduation in all subject areas. The tutorial program is certified as a model tutoring program by the College Reading and Learning Association.

STUDY HALL

Nebraska's study hall program is housed in the D.J. Sokol Enrichment Center within the Student Life Complex. Student-athletes attend a supervised, flex-time study hall that features day, evening and weekend hours. Student-athletes are required to complete a specific number of study hours each week as determined by their academic counselor and/or coach. Additional performance-based or tutor-based study hall also may be determined by the academic counselor.

MENTORING

Academic support staff serve as mentors to all incoming student-athletes and a select group of returning student-athletes. Student-athletes meet with their mentor weekly to develop time management skills, gather and report academic progress information, and discuss academic success strategies.

EDUCATIONAL ASSESSMENTS

Assessments are administered upon the request of the student-athlete, academic counselor, or coach. Learning specialists are available to administer and score informal assessments, which include a reading comprehension and a writing assessment. When more in-depth assessments are necessary, referrals are made to a consulting psychologist who conducts the assessments. If it is determined a student-athlete has a learning disability or another medical condition that impedes the student from reaching their academic potential, appropriate accommodations are implemented by the Office of Services for Students with Disabilities.

STUDENT-ATHLETE ORIENTATION

Each new student-athlete attends an orientation at the beginning of their academic career. Student-athletes are introduced to staff, faculty, administrators, and a variety of resources that help facilitate the transition into college while enhancing awareness of support services in the Athletic Department and across campus.

PERSONAL COUNSELING

Student-athletes will find a supportive and caring environment at Nebraska. Transitional issues, stress management, time management, academic focus and problem resolution are all addressed in a proactive manner throughout the year. If necessary, counseling referrals are also made to designated practitioners.

COMPUTER RESOURCES

The Herman Student Life Complex has two computer labs for student-athletes. The Scott Technology Center features two tech tables for use on group computer projects and group study sessions. Additionally, each student-athlete is provided a laptop for use throughout their academic career at Nebraska.

LIFE SKILLS

In May of 2016, 20 Husker student-athletes, a Nebraska letterwinner alum and and four staff members participated in a service trip abroad to the Dominican Republic. The Huskers spent time with members of the community of Las Pajas to create a local sports court and create a mural at a community center.

In August of 2014, the NCAA Division I Board of Directors restructured the way member institutions and conferences, including the Big Ten, govern themselves. Nebraska has a great history and tradition of providing unmatched benefits and support to student-athletes. However, this change in governance, and subsequent legislation, paved the way for Nebraska to enhance the benefits and experiences for student-athletes. A few examples of these enhanced benefits are:

- All scholarship student-athletes across all sports have their scholarship calculated based on the full cost of attendance.
- Each student-athlete is offered an Apple MacBook Air laptop computer to enhance their learning opportunities.
- Nebraska has increased resources and support in all academic and performance related areas including but not limited to Academic Services, Life Skills, Athletic Medicine, Athletic Training, Strength and Conditioning, Nebraska Athletic Performance Laboratory, Nutrition and Dining Services (Training Table) and Sports Analytics.
- Nebraska created the first-known Post-Eligibility Opportunity (PEO) program, where every student-athlete graduate who has exhausted their athletic eligibility has the opportunity to pursue (with Nebraska support) an internship, participate in a study abroad program or attend graduate school.

RED CARPET EXPERIENCE

Krista Van Wie displayed her 2016 Nebraska Student-Athlete HERO Leadership Award on the red carpet at Nebraska's academic recognition event - "A Night at the Lied" in April. A 2016 senior from Grand Island, Neb., Van Wie was a three-time member of the Tom Osborne Citizenship Team, recognizing her overall commitment to Nebraska's award-winning Life Skills program.

LIFE SKILLS AWARDS

Lindsay Helferich captured a prestigious Nebraska Student-Athlete HERO Leadership Award as a freshman in 2016. The award is presented to NU's most committed student-athletes to community service across all sports. Helferich also earned a spot on the Tom Osborne Citizenship Team in 2016.

EXPERIENCES OF A LIFETIME

SERVICE TO A MUCH LARGER COMMUNITY

The Nebraska Life Skills program offered its second service trip abroad in 2016, taking 20 student-athletes to the Dominican Republic to help the community of Las Pajas. Husker swimmers Samantha Hardewig (back row, fifth from left), Krist Van Wie (back row, third from right) and Michaela Cunningham (front row, fifth from left) participated in the memorable trip along with student-athletes from across Nebraska's 24 varsity sports.

SUCCESS IN COMPETITION, CLASSROOM, COMMUNITY

The Nebraska swimming and diving team captured the Herman Team GPA Award for the second consecutive year for producing the highest combined cumulative grade-point average among all Husker women's sports in 2016. The Husker swimmers and divers produced an impressive 3.581 GPA during the spring and fall semesters of 2015. Nebraska's GPA also ranked 13th nationally among all NCAA Division I swimming and diving programs as awarded by College Swimming and Diving Coaches Association of America. A total of 17 Husker swimmers and divers earned academic All-Big Ten honors in 2016.

NEBRASKA LIFE SKILLS

Regarded as the premier and most comprehensive Life Skills program in college athletics, the Husker program is committed to providing proactive education, resources and support throughout college and beyond, promoting total person development and preparation for life after sports. Five full-time staff members coordinate a wide array of services benefiting Husker student-athletes.

PROACTIVE EDUCATION

The Life Skills team organizes several orientations aimed at acclimating student-athletes to college life. Additionally, all incoming student-athletes attend the fall semester Husker Life Seminar. This interactive class promotes responsible decision-making, personal brand, financial literacy, leadership, involvement and service.

INDIVIDUAL MEETINGS

Every Nebraska student-athlete is assigned a Life Skills Coordinator who arranges individual meetings during the academic year to enhance personal and career development. The meetings help student-athletes identify a career focus and implement a plan to increase career marketability.

CAREER COMMITMENT

Annually, Nebraska Life Skills organizes a Student-Athlete Career, Networking Night and other career events aimed at connecting Huskers with companies desiring competitive, hard-working, accountable candidates. Athlete Network and Husker Hire Link provide opportunities to explore career opportunities across the country.

COMMUNITY OUTREACH

Nebraska student-athletes readily accept the role-model challenge, giving more than 2,500 hours annually to impact 25,000 across Nebraska. Outreach events include hospital visits, mentoring, school assemblies, statewide rallies (including the Sportsmanship 4 Life Pep Rally, Make-A-Wish, NFL Play 60 and Husker Heroes.

LEADERSHIP

Nebraska Life Skills provides student-athletes with opportunities to enhance leadership skills while distinguishing themselves from the competition. Student-athletes can participate in the Student-Athlete Advisory Committee, Uplifting Athletes or Husker Distinction Council. UNL offers more than 600 recognized student organizations allowing athletes to collaborate with campus leaders for common goals. Nebraska Life Skills funds and coordinates an annual one-week service abroad trip that allows 20 student-athletes to work toward a common goal while enriching cultural competencies.

RECOGNITION

In 2015-16, a record 347 Husker student-athletes were named to the Tom Osborne Citizenship Team for completing a minimum of six service projects in the calendar year. A host of other recognition opportunities at the institutional, Big Ten and NCAA levels that all reflect the high ideals, character and servant leadership nurtured through community involvement also are available.

POST-ELIGIBILITY OPPORTUNITIES

Effective December 2015 and beyond, student-athletes who letter and graduate have a three-year window to benefit from one of three post-eligibility opportunities ($7,500 each). Upon completion of required seminars, graduates can either study abroad, complete an internship or begin graduate school within the University of Nebraska system.

DIVERSITY AND INCLUSION

The Life Skills program is responsible for all Diversity and Inclusion initiatives for Husker Athletics. The first Diversity and Inclusion Summit occurred in January of 2016 and reached all student-athletes and staff with a message of acceptance and unity.

NEBRASKA: LEADING THE WAY

The University of Nebraska was chartered by the Nebraska Legislature in 1869 as the state's public university and land-grant institution. Founded in Lincoln, the University of Nebraska was expanded in 1968 into a state educational system now comprising four campuses under the guidance of a Board of Regents and a central administration. Nebraska, which joined the Big Ten Conference in 2011, is a member of the Big Ten Academic Alliance, a consortium of Big Ten universities and the University of Chicago, which has generated unique opportunities for students and faculty by sharing expertise, leveraging resources and collaborating on programs.

OMAHA SETS MORE RECORDS AT U.S. TRIALS

The CenturyLink Center in Omaha played host to the U.S. Olympic Trials for the third consecutive time in 2016. Six Husker swimmers competed in the 2016 U.S. Olympic Trials, including Omaha natives Alexandra Bilunas and Erin Oeltjen.

The state of Nebraska played host to the U.S. Olympic Swimming Trials at the CenturyLink Center in Omaha for the third consecutive time in 2016. The event, which has become a showcase event with sellout crowds of approximately 14,000 for each day of the trials, has given Nebraska a chance to showcase its love and support for swimming.

In 2016, six University of Nebraska swimmers provided the Huskers with a strong presence at the U.S. Olympic Trials. Led by Omahans Alexandra Bilunas (50 free) and Erin Oeltjen (100 back, 200 back), the Husker contingent proudly competed in the water with the world's best swimmers.

The native Nebraskans were joined by Husker teammates Taryn Collura (Phoenix, Ariz., 50 free, 100 fly), Jordan Ehly (Albuquerque, N.M., 200 breast), Morgan McCafferty (Reynoldsburg, Ohio, 100 back) and Katt Sickle (Grain Valley, Mo., 400 free) at the trials. The 2016 Husker participants tripled the number from the 2012 trials (Bailey Pons, 400 free; Shannon Guy, 100 fly), demonstrating the steady rise of the Nebraska program on the national level.

The state of Nebraska, the Midwest and the entire swimming community took a monumental step on June 28, 2005, when USA Swimming announced Omaha as the host city for the 2008 U.S. Olympic Swimming Trials. After the 2008 Trials proved to be a resounding success, as well as the subsequent 2012 Trials, officials from USA Swimming and the Omaha Sports Commission announced that return of the event to Omaha in 2016.

Morgan McCafferty competed in the 100-meter backstroke at the 2016 U.S. Olympic Trials in Omaha. The freshman from Reynoldsburg, Ohio, was the youngest Husker swimmer to compete in the event.

"It came down to the fact that the setup in Omaha for the athletes and coaches is just the best out of all the candidate cities," said Mike Unger, USA Swimming assistant executive director.

The 2008 Trials drew a record 160,003 fans over eight days and 15 sessions. The 2016 Trials smashed those numbers, with all 15 sessions sold out and attendance exceeding 200,000 for the first time. In 2004, attendance was just over 100,000.

The CenturyLink Center has served as a home away from home for Husker athletics the past several years. In 2015, the Nebraska volleyball team captured its fourth NCAA title and its second in Omaha. The 2006 Huskers claimed Nebraska's third NCAA volleyball title in Omaha as well. The CenturyLink Center also played host to the 2012 NCAA Volleyball Championships. Nebraska also hosted the Big 12 Wrestling Championships at the CenturyLink Center and the men's basketball team played there in a game against Oregon in 2007.

HUSKERS HOPE TO CONTINUE RISE IN 2016-17

The Huskers dive into the 2016-17 season riding momentum from outstanding performances in the pool, in the well, in the classroom and in the community during the 2015-16 campaign.

Although Nebraska lost a successful 2016 senior class that featured nine contributors, the Huskers return a talented nucleus of 17 swimmers and divers, while adding 11 impressive newcomers to the roster.

Headlining the list of Nebraska's returning talent is 2016 NCAA Diving All-American Anna Filipcic. The senior from Omaha, Neb., took 10th on the one-meter board at the 2016 NCAA Championships. Filipcic's performance at the NCAA meet followed a strong showing at the NCAA Zone Diving Meet and a runner-up finish on the one-meter board at the 2016 Big Ten Championships.

Filipcic's contributions to the Husker program don't end in the diving well. The three-time NCAA qualifier is also a two-time first-team CSCAA Scholastic All-American and could contend for national academic honors in 2017. She is also a two-time Big Ten Distinguished Scholar and academic All-Big Ten selection.

"Anna is a tough competitor and an outstanding person," Nebraska Coach Pablo Morales said. "She is definitely a leader for us in the diving well, and she is also a great representative for our entire program."

Filipcic leads a deep diving corps that includes junior Francesca Giganti, sophomores Kara Cottrell and Katrina Voge, and freshman Abigail Knapton.

While Filipcic produced Nebraska's top scores in the one- and three-meter dives a year ago, Giganti posted NU's top performance on the platform. Giganti finished 17th at the NCAA Zone meet, just ahead of Voge.

Voge, a sophomore from Franklin, Wis., finished the season strong at the NCAA Zone competition, taking 20th on the platform and 21st in the three-meter event. Voge could be prepared to produce higher scores after a solid freshman campaign.

Knapton, a freshman from Omaha, will fill the void left by fellow Nebraskan Nicole Schwery in the Husker diving group in 2016-17. Knapton joins the Big Red after claiming runner-up honors in the one-meter dive for Omaha Marian at the 2016 Nebraska High School Championships.

"We feel like we have a strong group of divers who can contend at the conference and national levels," Morales said. "Natasha Chikina does an outstanding job of leading our entire diving program and is really elevating the performances of each of our individual divers every year. She is developing a tremendous program for us, and we are looking for that to continue this year and into the future."

While Nebraska's five divers are expected to be strong in the well, the Husker swimmers could be poised for a move up the Big Ten standings in the pool.

Leading the charge for the Big Red will be senior Erin Oeltjen. The two-time Nebraska captain competed in both the 100- and 200-meter backstrokes at the U.S. Olympic Trials in her hometown of Omaha in 2016. Oeltjen owns Nebraska's top returning times in the 200-yard back (1:57.46) and the 50-yard freestyle (23.22). She added a 15th-place finish in the 100-yard butterfly and a 16th-place effort in the 200 back at the 2016 Big Ten Championships.

Along with her success in the water, Oeltjen is also a tremendous representative of the Husker program in both the classroom and the community. She is a two-time academic All-Big Ten choice and was a 2016 CSCAA All-America Scholar. She also claimed a prestigious Nebraska Student-Athlete HERO Leadership Award in 2016.

"Erin has some terrific talent that is really just starting to rise to the surface," Morales said. "Erin is a great student, a great teammate, a great leader and a great person. She is a two-time captain for us, so that gives you a pretty good indication how much respect our entire team has for her and her work ethic."

Julia Roller joins Oeltjen as a team captain for the Huskers in 2016-17. The senior from Naperville, Ill., struggled with a back injury at the end of her junior season, but is a proven performer at the conference level. A leader in Nebraska's butterfly and individual medley groups, Roller only competed in the 200 freestyle at the 2016 Big Ten Championships. However, as a sophomore in 2015, Roller stormed to a 10th-place Big Ten finish in the 200 fly, while adding a 20th-place finish in the 200 IM. She added a 17th-place showing in the 400 IM as a freshman for the Huskers in 2014.

A healthy Roller could go a long way in helping Nebraska climb the ladder in the Big Ten.

A fourth senior leader for the Huskers, Katt Sickle will redshirt in her fifth year in the program in 2016-17, after undergoing shoulder surgery in July. Sickle's shoulder, which also kept her from swimming during the 2013-14 campaign, could not prevent her from qualifying and competing in the 400-meter freestyle at the 2016 U.S. Olympic Trials in Omaha.

Sickle, who is a two-time Big Ten Distinguished Scholar and academic All-Big Ten selection, earned her bachelor's degree as an elementary education major from Nebraska in May of 2016. She is hopeful that her recent surgery and a year of successful rehab will allow her to produce a fully healthy sixth season in 2017-18. She also will have a chance to leave Nebraska with a master's degree in hand.

"My injury has definitely limited my training ability, and has been extremely frustrating at times," Sickle said, "but it's made me a stronger athlete and individual. My family, coaches, teammates, sports psychologist and other athletic staff have been very supportive of me."

While the Huskers lose a proven leader in the water in the distance freestyle events in Sickle, Canadian U.S. Olympic Trials participant Cassandra Brassard could help fill the void. One of Nebraska's top backstrokers, Brassard has competed in the 500 free at each of her first two Big Ten Championships.

Brassard, a junior from Regina, Saskatchewan, finished 30th in the 100 back at the 2015 Big Ten Championships, and added a 36th-place showing in the 200 back at the 2016 conference meet. Brassard is hoping that a solid offseason of training can help her put up career-best times in 2017.

Erin Oeltjen is a two-time captain for the Huskers in 2016-17. Oeltjen, a senior from Omaha, competed in the 100 and 200 backstrokes at the 2016 U.S. Olympic Trials in Omaha.

ALL-AMERICAN FILIPCIC LEADS SENIOR CLASS

Jordan Ehly also could be poised to make a push up the conference standings. The junior from Albuquerque, N.M., is hoping to continue Nebraska's rich tradition in the breaststroke events that includes 24 total All-America awards in the 100 and 200 events combined, including 1996 NCAA Champion Penny Heyns.

Ehly produced Nebraska's top times in both the 100 (1:02.66) and 200 (2:14.67) last season before competing in the 200 breast at the U.S. Olympic Trials in Omaha. As a freshman, she finished 16th in the 200 breast at the 2015 Big Ten Championships, before adding a 20th-place performance in 2016.

Ehly, who is one of Nebraska's hardest workers in training, is hoping for a breakthrough junior season.

"Jordan came to us as a fairly accomplished swimmer, and we think she is putting herself in a position to make a significant jump in performance," Morales said. "Jordan is a really good leader, and she is unbelievable in training. We are looking forward to her bridging the gap in her training and her competitive performance because when she does, it could be pretty special."

Lincoln native Aimee Fischer rounds out a four-member junior class. A distance freestyle and IM competitor for the Big Red, Fischer finished 33rd in the 1,650 free at the 2016 Big Ten Championships, a five-spot jump from her freshman campaign.

Nebraska's nine-member sophomore class could play a major role in the Huskers' improvement in 2016-17. While Cottrell and Voge are expected to make gains for the Husker diving corps, Morgan McCafferty leads a talented collection of sophomore swimmers.

McCafferty, a native of Reynoldsburg, Ohio, competed in the 100 backstroke at the 2016 U.S. Olympic Trials. Her time of 55.19 in the 100-yard back at the Big Challenge not only helped the Huskers to the team title, it was also Nebraska's best performance in the event during the season. She went on to finish 29th as a freshman in the event at the Big Ten Championships, and she could be looking to make a jump in the final standings this season.

Anna Filipcic earned All-America honors on the one-meter board at the 2016 NCAA Championships. The three-time NCAA qualifier was the Big Ten Conference runner-up on the one-meter board.

"Morgan brings such great intensity to the pool every day," Morales said. "She has a drive and determination when she is in the water, not just in competition but in practice and training every day. That intensity is contagious to our entire team."

Sophomore backstrokers Lindsay Helferich, Jacqueline Jeschke and Anna McDonald should be beneficiaries of McCafferty's contagious competitiveness.

Dana Posthuma, a product of Omaha Burke, should be another leader among Nebraska's sophomores. Posthuma produced NU's top Big Ten finish by a freshman in 2016. Her 10th-place effort in the 100 butterfly came in a Nebraska and career-best time of 53.98 at the Big Ten Championships. She added a career-best time of 2:00.96 in the 200 fly at the Big Ten meet, which is also Nebraska's top returning time in the event. With a full year of collegiate training and experience under her belt, Posthuma could be looking to make major gains as a sophomore.

Kaylyn Flatt could be poised to fill the space left by Sickle in the distance free events. Flatt, a sophomore from Centennial, Colo., finished 21st in the 1,650 free and 30th in the 500 free as a freshman at the Big Ten meet.

Bridget Pacilio rounds out Nebraska's sophomore class after strong showings in the 200 and 400 IM and the breaststroke events as a freshman.

While the sophomores are looking to step up their performances in their second seasons, an 11-member freshman class hopes to make an immediate splash.

Lincoln Pius X graduate Olivia Appleget and fellow Nebraskan Lindsey Stalheim (Omaha) join Shea Bougie (Lakeville, Minn.) in hoping to contribute in the butterfly, backstroke and IM events.

Venezuelan National Team member Carla Gonzalez-Garcia (Arlington, Texas) and Tori Beeler (Parkville, Mo.) plan to add more pop to the backstroke and IM events for the Big Red, while Beeler also hopes to contribute in breaststroke.

Two-time All-American Savannah Savitt (Tampa, Fla.), who produced seven top-five finishes at the Florida state championships, hopes to bring speed and consistency to NU's freestyle, breast and IM events.

Abigail Greeneway (Appleton, Wis.), Samantha Hedrick (Pella, Iowa) and Allie Worrall could add instant impacts in the sprint freestyle events. Worrall, who like recent Nebraska graduate and sprint freestyler Taryn Collura is from Phoenix, was the 2016 Arizona high school 100 free champion, while adding runner-up honors in the 50 free. Hedrick and Worrall also plan to bolster the Big Red butterfly events.

The new mix of Huskers will hit the water for the first time at the Scarlet vs. Cream Intrasquad on Sept. 23, before playing host to the annual Alumni Meet at the Devaney Natatorium on Oct. 1. The regular season opens with road duals at Iowa State and South Dakota State, before returning home to face Northern Iowa (Oct. 28) and Kansas (Nov. 5). The swim and dive teams will compete in invitationals until returning home for a Senior Day dual with Omaha on Jan. 14.

The Huskers close the dual campaign at Illinois on Jan. 21, before competing at Notre Dame's Shamrock Invitational (Jan. 27-28) as a final tune-up for the Big Ten Championships in West Lafayette, Ind. (Feb. 15-18).

The NCAA Last Chance Meet (Feb. 24-26) and NCAA Zone Diving Meet (March 6-8) will conclude Nebraska's preparations for the NCAA Championships in Indianapolis (March 15-18).

2016-17 (OUTLOOK)

All-American Anna Filipcic takes aim at a top-eight national finish and a Big Ten individual championship for the Huskers in 2016-17. The senior from Omaha, Neb., took 10th in the one-meter dive at the 2016 NCAA Championships after earning a runner-up finish in the event at the Big Ten Championships. Filipcic hopes for her best season in the well, in the classroom and in the community as a senior. Filipcic is a two-time Big Ten Distinguished Scholar and academic All-Big Ten selection, as well as a three-time member of the Tom Osborne Citizenship Team.

2015-16 (JUNIOR)

Filipcic earned All-America honors in the diving well for the Huskers, finishing 10th in the one-meter diving competition at the 2016 NCAA Championships to become Nebraska's first All-American since Lauren Bailey in 2006. Filipcic's honorable-mention All-America performance gave Nebraska a 39th-place team finish, which was also the Huskers' best team finish at the championships since 2006. For the season, Filipcic amassed 15 victories, while racking up 19 top-five finishes in the well. She notched a career-best 338.25 points to finish as the one-meter runner-up at the 2016 Big Ten Championships. She added a school-record three-meter total of 359.03 to earn a victory in Nebraska's dual win over Illinois. She added a ninth-place finish (337.45) on the three-meter board at the Big Ten Championships. In her third appearance at the NCAA Championships, Filipcic produced a 310.60 to take 10th in the one-meter dive. She added a 47th-place finish in the three meter with 246.30 points, despite taking a zero after hitting the board on her second dive. She led the field after her opening dive of the three-meter competition. Filipcic continued to excel in the classroom as a junior, claiming recognition as a Big Ten Distinguished Scholar while also earning academic All-Big Ten honors for the second consecutive year. She also claimed her third spot on the Tom Osborne Citizenship Team.

2014-15 (SOPHOMORE)

Filipcic continued to dominate in the diving well during her sophomore campaign, notching 19 top-five finishes, including 11 victories. Filipcic also set then-career bests at the Big Ten Championships, with scores of 329.50 in the one meter and 356.75 in the three meter, good enough to earn third place in both events. Filipcic also qualified for the NCAA Championships for a second consecutive year. At nationals, Filipcic earned 21st in the one meter and 20th in the three meter. A star in the classroom, Filipcic earned academic All-Big Ten honors before being named a Big Ten Distinguished Scholar in 2015.

2013-14 (FRESHMAN)

Filipcic exploded onto the scene in her first year diving for the Huskers. She recorded 16 top-five performances, including nine victories. Filipcic set then-career bests at the Big Ten Championships, with scores of 307.65 to finish 10th in the one-meter and 348.50 to finish ninth in the three-meter. As a freshman, Filipcic was the only Husker to qualify for the 2014 NCAA Championships. She was the first Husker diver to qualify for the NCAA Championships since 2005. Filipcic finished 22nd at the NCAA Championships on both the one-meter and three-meter boards. She also got off to a strong start in the classroom by earning spots on the Nebraska Scholar-Athlete Honor Roll in the fall and spring of 2013-14.

PREVIOUS

Filipcic came to NU from Omaha Burke High School, where she was an All-American in 2011 for Head Coach Steve Guinn. She finished second in the one-meter dive at the 2011 Nebraska High School State Championships, posting a score of 443.10 that put her eighth on Nebraska's all-time leaderboard. In the summer, Filipcic competed for the Nebraska Dive Club, coached by Kris Hoffman. Filipcic was a three-time national qualifier, including a second-place finish in the one-meter dive at the 2013 Junior Nationals and a fifth-place finish in the same event at the 2013 Junior West Nationals. Filipcic was also a Junior Zone champion in the one- and three-meter dives in 2012 and 2013, adding to her 2012 Region 6 victories in both events. Filipcic was a four-year member of Burke's honor roll, a member of the National Honor Society and a recipient of the band's Outstanding Senior award on the French horn.

+ Associate Head Coach, San Jose Aquatics, 2000-01
+ Head Coach, San Jose State, 1998-2001

+ Assistant Coach, San Jose Aquatics, 1995-96
+ Graduate Assistant, Cornell, 1989-91
+ Head Coach, Stanford Masters Swim Program, 1988-99

HONORS & AWARDS

+ 2004 Big 12 Coach of the Year
+ 2000 WAC Coach of the Year

Pablo Morales saw nothing but improvement from his 2015-16 Nebraska swimming and diving program, and entering his 16th season as the head coach of the Huskers he expects even more gains. Under his leadership, Nebraska hopes to continue to climb in its sixth season in the Big Ten Conference in 2016-17.

Morales and the Huskers expect for more at the conference and national level, after diver Anna Filipcic provided Nebraska with All-America honors on the one-meter board in 2016. The Big Red finished 39th at the NCAA Championships, while also ranking 13th nationally with a 3.59 GPA among all CSCAA Division I women's swimming and diving teams.

Nebraska completed its fifth season of Big Ten competition in 2015-16, finishing with a 5-3 record that included wins over Omaha, Iowa State, South Dakota State, Illinois and Northern Iowa. Nearly every swimmer and diver set career bests, culminating in 81 career bests during the season, including 30 at the 2016 Big Ten Championships.

Nebraska has also sent a diver to the NCAA Championships for three consecutive seasons. NU's increased competitiveness in the pool is a far cry from the starting point of the Husker program when Morales took over the job in 2001. In his first season at NU, the Huskers went winless in 2001-02 (0-3) with a depleted roster.

Three years later, NU raced to an 8-1 dual record in 2004-05 and became the first Husker swimming and diving team in school history to win eight consecutive meets. Most importantly, Morales led the Huskers out of the bottom of the Big 12 with a fourth-place finish in 2004 and a third-place showing in 2005. Nebraska has continued to pursue a climb in conference prominence as it has transitioned to the Big Ten.

The Huskers hope to regain the national prowess they enjoyed in the 1990s, when they captured five Big Eight and Big 12 titles from 1994 to 1999.

A 1987 graduate of Stanford University, Morales is one of the greatest male swimmers in U.S. history, winning an NCAA-record 11 individual titles. He also helped lead the Cardinal to three consecutive NCAA titles and four Pac-10 titles, while twice earning Pac-10 Swimmer-of-the-Year honors and garnering six Pac-10 titles himself.

Morales remains the all-time leading scorer at the NCAA Championships, amassing 235 points. Morales was also the recipient of the 1987 Al Masters Award, which is Stanford's highest award for athletic performance, leadership and academic performance. He was the first male swimmer to win the award, and remains one of two to have accomplished that feat. Morales holds the Stanford record in the 200-yard butterfly (1:42.60) and held the school record in the 100-yard fly (46.25) until it was broken in 1998 by Sabir Muhammad (46.18).

While at Stanford, Morales was awarded the J.E. Sterling Award, which is presented to a student-athlete based on scholarship, leadership and community service. In addition, he served as the director of the Stanford Volunteers for Youth Program. Morales also found time to become a mainstay on the campus newspaper as the beat writer for the women's basketball team.

A CoSIDA Academic All-America selection in 1987, Morales earned a law degree from Cornell in June of 1994, despite taking two years off from law school to train and compete at the Olympics.

An Olympic swimmer, Morales won three gold and two silver medals in the 1984 and 1992 Games, serving as a team captain for the 1992 squad. Following the 1992 Games, in which he returned to the pool after a three-year layoff to capture a gold medal in the 100-meter butterfly, Morales was named the U.S. Olympic Committee's Sportsman of the Year. He held the U.S. Open and NCAA record in the 100-yard fly with a time of 46.26, which stood for 13 years before being broken at the 1999 NCAA Championships.

Among Morales' greatest swimming accomplishments in the pool is holding the world record in the 100-meter butterfly with a time of 52.84 from 1986 until 1995.

Morales' legend in the Olympic Games lives on today, as the Nebraska coach served on the bid committee for the 2008 U.S. Olympic swimming trials that took place in Omaha. Morales had the chance to see the selection process and serve a role in the decision that gave Nebraska its first Olympic event in state history.

The Swimming Trials were a resounding success, and Omaha proved to be a worthy host for the event. More than 160,000 fans attended the event, shattering the previous mark by more than 50,000. In 2016, the U.S. Olympic Trials made their third consecutive appearance at the CenturyLink Center in Omaha, and more than 200,000 fans sold out every session of the event.

Before coming to Nebraska, Morales served as the head women's swimming coach at San Jose State University. He held the reins as head coach from 1998 until being named coach at Nebraska in July of 2001. Morales rejuvenated a Spartan program that was near the bottom of the Western Athletic Conference. He was named the 2000 WAC Coach of the Year for his efforts.

While at San Jose State, Morales rebuilt a program and took the Spartans to the NCAA Championships after a 14-year absence. During his tenure, Morales produced six academic All-WAC swimmers. At the 2001 WAC Championships, five Spartans set school records under Morales' supervision, and three met NCAA qualification times. Seven others swam times that placed among the top three in school history.

Before his stint at SJSU, Morales served as an assistant coach at his alma mater, Stanford, during the 1997-98 season, helping lead the squad to the NCAA team title.

Morales also served as a graduate assistant at Cornell while pursuing his law degree. While at Cornell, Morales prepared and coached daily workouts for swimmers and assisted in recruiting. Morales has assisted in coaching with the San Jose Aquatics club group, as well as serving as head coach of the Stanford Masters Swim Team.

For Morales, the opportunity to coach at Nebraska was a welcome challenge.

"As a coach, taking over the responsibilities at Nebraska represents a great opportunity to take a program with success and use the resources that only Nebraska can offer, the support from the athletic department, the University, the Lincoln area and the state, to take the program to a higher level," Morales

Pablo Morales was a three-time Olympic gold medalist and two-time silver medalist at the 1984 (Los Angeles) and 1992 (Barcelona) Summer Games.

said after he was hired. "Our goal is to take this program to the elite national level."

A powerful motivator, Morales hopes to keep his swimmers on the top of their games in and out of the pool, as Nebraska has established itself among the nation's best in academic support and athletics. Over the past nine seasons, nearly 80 percent of Morales' student-athletes have been named to the conference or Nebraska Scholar-Athlete Honor Roll each semester.

"I want our swimmers to achieve their goals of faster times and lifetime bests," Morales said. "I want them to have the best season that they have ever had, and I also want us to establish a team atmosphere and build an excitement toward Husker swimming and diving."

Morales said he enjoys the challenge of competing in the Big Ten, one of the premier swimming and diving conferences in the country.

Former Stanford Head Coach Skip Kenny, who coached Morales at Stanford and also with Team USA, spoke highly of his former pupil.

"He's one of the most honest people that you will meet," Kenny said. "You will always get the truth out of him. He's very dedicated to the sport of swimming and to his athletes."

Kenny also recognized Morales' charisma.

"As soon as the swimmers spend a few days or weeks with him," Kenny said, "they will see how much he cares about them and the sport of swimming."

Morales also received a vote of confidence that he will be able to turn Nebraska into a national title contender.

"He brings a high level of experience to build up the team," Kenny said. "He's been there and done that as far as swimming is concerned. I honestly believe that he is a better coach than he was a swimmer, and that is saying a lot since he was one of the best swimmers in the world. He has done things with kids that I thought I would never see. If there is a female swimmer out there that wants to be the best in the world, I'd send her to swim for Pablo."

Morales' experience as both an NCAA and international swimmer as well as a club and collegiate coach helps him in coaching and recruiting.

"In my experiences, I have been fortunate to have had a long career as a competitor. I was able to train with coaches who I think are some of the best in the world," Morales said. "I have learned from them, and I have learned from myself. I believe that all of my experiences have prepared me for coaching. I have a good feel for the contours of teams that are successful. I know how they practice, train and compete."

In July of 2012, Morales named Patrick Rowan as an assistant coach. A Nebraska native with a long-time association with the Husker program, Rowan spent five years at Missouri before returning to Lincoln. In his five seasons in Columbia, Rowan helped MU climb from 38th at the 2008 NCAA Championships to 14th in the final national standings in 2012. He also played a major role in bringing multiple top-20 recruiting classes to Missouri.

"We were very excited to have Patrick come back to Nebraska," Morales said. "He brings extensive and successful coaching and recruiting experience at the collegiate level. Patrick has a tremendous work ethic and an unmatched passion for Nebraska. He has made an immediate impact on this program and will play a key role in helping us achieve our Big Ten Conference and NCAA goals."

In his first season with the Huskers, Rowan immediately showed his worth, coaching the Nebraska sprinters to four school-record relay times at the 2013 Big Ten Championships. He also coached Taryn Collura to a school record in the 50-yard freestyle and a trip to the NCAA Championships in Indianapolis.

Morales named former Olympian Natasha Chikina as the head diving coach in June of 2005. Through 11 seasons, she has guided Husker divers to 33 NCAA Zone appearances and a Husker diver to the NCAA Championships for three consecutive seasons.

"My job is to instill confidence in a swimmer and teach her to expect a higher level of performance from herself. I want each swimmer to open her mind to what is possible. I want her to strive to exceed what she has done in the past each and every day. I want her to expect that more is possible."

Coach Morales' Philosophy

"She brings outstanding technical expertise combined with a tremendous coaching demeanor that yields fabulous results at the Division I level," Morales said. "She is the perfect fit to build on the success of her predecessors here at Nebraska and be part of our development into a championship-level program."

A gifted and noted public speaker and lecturer, Morales was a contributing author to The Swim Coaching Bible, published in 2001. In April of 2007, he was chosen as the U.S. Swimming Diversity Select Camp Head Coach, a four-day camp at the Olympic Training Center in Colorado Springs, Colo. Aside from in-pool training, Morales also led motivational and educational sessions and team-building activities for boys and girls from all over the nation. These children were a part of an ethnically under-represented population that is less than 20 percent of the current USA Swimming membership.

Pablo is the son of Pedro and the late Blanca Morales, who came to the United States from Cuba in 1956. Pablo and his wife, Viviana, have four boys, Sam (18), Benjamin (15), Eli (13) and Gustavo (6).

Shawn Eichorst was recruited and hired by the University of Nebraska in 2012 and quickly displayed an incredible passion for the University and for its student-athletes as well as the State of Nebraska. As the leader of a tradition-rich athletic program with 24 intercollegiate teams, 600-plus student-athletes and more than 325 full-time employees, Eichorst has relied on a strong value system and a student-centered approach to lead the department. Nebraska's primary mission is to provide student-athletes with the resources and support they need to be successful in academics, athletics and life. The health, safety and welfare of student-athletes are priority one and the essence of every decision made at Nebraska. Since Eichorst arrived in Lincoln, resources and services in every student-athlete support unit have been reviewed, improved and enhanced, including academics, athletic medicine, life skills, nutrition, sports psychology, strength and conditioning and performance/research [Nebraska Athletic Performance Laboratory (NAPL) and the Center for Brain, Biology and Behavior (CB3)].

Eichorst has continued to move Nebraska forward aggressively with several new initiatives to enhance the student-athlete experience. Beginning in the summer of 2015, Nebraska became the first athletic department in the country to offer laptop computers to every student-athlete and created a data analytics department. Husker student-athletes in all sports now receive four-year, full cost of attendance-based scholarships. Nebraska was also the first-known department of athletics to create a post-eligibility opportunity (PEO) program, where every Husker letterwinner who graduates and has exhausted his or her eligibility has an opportunity to pursue either an internship, study abroad or graduate school program valued at $7,500. Nebraska was also one of the first institutions to create a spring service abroad trip, taking a team of student-athletes and staff to Guatemala in 2015 and to the Dominican Republic in 2016.

Eichorst is in high demand and has made more than 500 public appearances around the state and country and his monthly radio show and "Connecting on Campus" online column provide opportunities to connect and share the incredible activities, initiatives and accomplishments happening at the greater University and in the department. As a member of the Chancellor's Senior Administrative Team, Eichorst maintains a strong connection and collaboration between the University and athletics.

A highly respected national leader, Eichorst was appointed in 2015 to the Division I Football Oversight Committee. Most recently, Eichorst was named co-chair of the NCAA Division I Football Recruiting ad hoc working group. He also serves on the Big Ten Conference Program and Budget Review Committee. Eichorst was the first Director of Athletics from any conference to visit the Big Ten Conference-based Academic Alliance (formerly known as the Committee on Institutional Cooperation) at its Champaign, Ill., headquarters. The Big Ten Academic Alliance is a highly successful academic-based consortium of 15 schools, including all 14 in the Big Ten Conference. Nebraska is leading the Big Ten and the Big Ten Academic Alliance in several areas, including Digital Humanities and head injury research.

Under Eichorst, Nebraska extended its nation-leading total of CoSIDA Academic All-Americans to 325 and its nation-leading total of NCAA Top Ten Award winners to 17. More than 700 awards were presented at the 26th Annual Student-Athlete Awards Show—A Night at the Lied. In 2015-16, 109 student-athletes earned undergraduate or graduate degrees and the Big Ten Conference honored 209 Husker student-athletes with Academic All-Big Ten awards. For the first time in school history, all Nebraska teams had an NCAA Academic Progress Rate (APR) of 960 or higher and the overall Graduation Success Rate (GSR) of 86 percent is the highest in program history. In addition, seven Husker teams (women's basketball, golf, gymnastics, softball, tennis and volleyball and men's tennis) had a GSR of 100 percent as reported in the fall of 2015.

During Eichorst's tenure, Nebraska has won three NCAA team Championships, increasing its total to 27. In 2012-13 and in 2014-15, the Nebraska women's bowling team earned the program's fourth and fifth NCAA titles, while the Husker volleyball team won the 2015 NCAA Championship, the program's fourth national title.

In 2016, the Husker men's track and field team swept the Big Ten Indoor and Outdoor Championships and 14 Nebraska teams competed in NCAA postseason action, including bowling, football, volleyball, women's swimming and diving, wrestling, softball, baseball, men's and women's gymnastics, rifle, and men's and women's indoor and outdoor track and field. In 2015-16, Nebraska produced 41 All-Americans who won 49 national awards, including 21 first-team honorees.

In 2013-14, Nebraska became one of only two NCAA institutions – and the first Big Ten program in history – to qualify for a football bowl game, and advance to NCAA postseason in the major team sports of volleyball, soccer, men's and women's basketball, baseball and softball. Additionally, Nebraska was the only institution to win a postseason game in six of those seven sports.

Nebraska's fan support continues to be unparalleled in college athletics. In 2015-16, top 15 national rankings for average attendance were reached across 10 sports—football, volleyball, men's and women's basketball, wrestling, soccer, softball, baseball and men's and women's gymnastics. Nebraska is the only school in the country to rank among the top 15 nationally in both football and men's basketball attendance and in volleyball and women's basketball. A tribute to loyal Husker fans, two sports lead the nation with consecutive home sellout streaks. Football has 347 consecutive sellouts and volleyball has 204 consecutive regular-season sellouts.

Under Eichorst's leadership, Nebraska continues to focus on improving its facilities and the game-day experience at all athletic venues. In August of 2015, Hibner Stadium and Barbara Hibner Field for soccer and the Sid and Hazel Dillon Tennis Center were completed. A new center-hung video board and sound system was installed in the Devaney Center in 2015 to improve the game-day experience for volleyball, wrestling and men's and women's gymnastics. In 2014, the largest wireless network system at a college football stadium in history was installed in Memorial Stadium, along with a state-of-the-art sound system. In the summer of 2013, Memorial Stadium expansion added the innovative NAPL inside East Stadium next to the Center for Brain, Biology and Behavior (CB3). That same year, Nebraska's men's and women's basketball teams became the primary tenants at Pinnacle Bank Arena, and the renovated Devaney Center became the home for Husker volleyball, wrestling and the men's and women's gymnastics programs.

Eichorst came to Nebraska after serving as Director of Athletics at Miami in 2011 and 2012. He hired legendary men's basketball coach Jim Larrañaga, who led Miami to the NIT Second Round in his first season and ACC regular-season and tournament titles as well and the NCAA Sweet 16 in his second. The women's basketball program posted its highest national ranking in school history (No. 5) and advanced to the Second Round of the NCAA Tournament. The Miami women's tennis team advanced to the NCAA Elite Eight for the fourth straight season, and the baseball team made its 40th consecutive NCAA appearance. The Hurricane women's soccer team posted its first NCAA Tournament win in school history, and the volleyball team made its third straight NCAA Tournament trip.

Before heading to Miami, Eichorst was the Deputy Athletics Director at Wisconsin. He was the Chief Operating Officer and oversaw the department's daily operations, as well as the men's basketball program under the direction of Director of Athletics and former Husker Barry Alvarez.

From 2004 to 2006, Eichorst served as the Senior Associate Athletics Director for Administration at South Carolina, overseeing the department's daily operations, as well as the football and baseball programs under legendary coaches Lou Holtz, Steve Spurrier and Ray Tanner, respectively.

From 1999 to 2003, Eichorst served as the Director of Athletics at Wisconsin-Whitewater, which produced four top 10-percent finishes in the NACDA Directors Cup, one NCAA team title and two NCAA runner-up finishes. The program also featured 11 CoSIDA Academic All-America selections.

A native of Lone Rock, Wis., Eichorst was an all-conference defensive back, three-time letterwinner and 1990 football team captain for the University of Wisconsin-Whitewater. He graduated magna cum laude in business from UW-Whitewater in 1990 and in 2015 was awarded the Distinguished Alumni Award for Professional Achievement. BIG TEN CONFERENCE

James E. Delany
Commissioner

Known as one of intercollegiate sports' most successful undertakings, the Big Ten is home to a lineage of legendary names and an ongoing tradition of developing strong leaders. Even in its infancy, the conference established itself as the preeminent collection of institutions in the nation, where the pursuit of academic excellence prevailed as the definitive goal.

The history of the Big Ten traces back 121 years to the Palmer House hotel in Chicago, where on Jan. 11, 1895, then-Purdue president James H. Smart and leaders from the universities of Chicago, Illinois, Michigan, Minnesota, Northwestern and Wisconsin set out to organize and develop principles for the regulation of intercollegiate athletics.

At that meeting, a blueprint for the administration of college athletics under the direction of appointed faculty representatives was outlined. The presidents' first known action "restricted eligibility for athletics to bonafide, full-time students who were not delinquent in their studies." That important legislation, along with other legislation that would follow in the coming years, served as the primary building block for intercollegiate athletics.

On Feb. 8, 1896, one faculty member from each of those seven universities met at the same Palmer House and officially established the mechanics of the conference, which was officially incorporated as the "Intercollegiate Conference Athletic Association" in 1905.

Indiana and Iowa became the eighth and ninth members in 1899. In 1908, Michigan briefly withdrew its membership, and in 1912 Ohio State joined the conference, bringing its membership total back to nine. Upon Michigan's return in 1917, the conference was first referred to as the "Big Ten" by media members, and that name was eventually incorporated in 1987.

As the 1900s opened, faculty representatives established rules for intercollegiate athletics that were novel for the time. As early as 1904, the faculty approved legislation that required eligible athletes to meet entrance requirements and to have completed a full year's work, along with having one year of residence.

In 1901, the first Big Ten Championship event was staged when the outdoor track and field championships were held at the University of Chicago. The debut event marked what is now a staple of conference competition. Today, the Big Ten sponsors 28 official sports, 14 for men and 14 for women, including the addition of men's ice hockey and men's and women's lacrosse the last three years. Big Ten schools compete in a total of 42 sports, furthering the conference's commitment to broad-based programming and providing more participation opportunities than any conference in the country.

One of the conference's proudest traditions began in 1902 when Michigan took on Stanford in the Rose Bowl, the nation's first bowl game. Big Ten teams only appeared in Pasadena twice before the conference signed an exclusive contract with the Tournament of Roses in 1946, making it the first bowl game with permanent conference affiliations. But Michigan's appearance in 1902 cultivated a relationship that has endured for more than a century.

Coupling the academic goals set forth by the conference leaders and their steadfast commitment to athletics, the conference instituted the Big Ten Medal of Honor in 1915. It is awarded annually by each conference institution to a student of the graduating class who has attained the greatest proficiency in scholarship and athletics. It is the most prestigious honor a student competing in Big Ten athletics can receive.

In 1922, Major John L. Griffith became the conference's first "Commissioner of Athletics." Griffith was the first of five men to assume the role of commissioner in the conference's history, followed by Kenneth L. "Tug" Wilson in 1945, Bill Reed in 1961, Wayne Duke in 1971 and current commissioner James E. Delany in 1 989.

After nearly 30 years with 10 members, the conference consolidated to nine schools when Chicago formally withdrew its membership in 1946. Michigan State was added to the Big Ten three years later, bringing the number of affiliated conference schools to 10 once again.

In 1955, the Big Ten formulated a revenue-sharing model designed to pool all football television rights of its members and share those proceeds equally. The conference and its members continue to utilize a revenue-sharing model, dividing media rights, bowl payouts and other profits among all conference institutions.

While academics have always played an integral role in the conference, presidents of the Big Ten member institutions formalized the primacy of academics with the establishment of the Big Ten Academic Alliance (formerly the Committee on Institutional Cooperation) in 1958. The Big Ten Academic Alliance is an academic consortium of all Big Ten universities. In 2014, the schools currently constituting the Big Ten Academic Alliance produced over $10 billion in funded research, $5 billion more than any other conference.

In one of Duke's first actions as commissioner, he oversaw the adoption of the Big Ten Advisory Commission in 1972, designed to study conference programs and make suggestions that would further Big Ten objectives. The Advisory Commission enlists former students that competed in Big Ten athletics to serve as liaisons to the NCAA's Diversity and Inclusion Department, the Big Ten Student-Athlete Advisory Commission and other organizations.

In 1981, the conference presidents and chancellors endorsed a proposal that enabled universities to affiliate their women's intercollegiate programs with the conference, and the first conference championships for women were staged that fall. The Big Ten was the first conference to voluntarily adopt male and female participation goals after launching its Gender Equity Action Plan in 1992.

In December of 1989, the conference agreed in principle to invite Penn State for membership. On June 4, 1990, the Council of Presidents officially voted to integrate Penn State into the conference, giving the Big Ten 11 members.

On June 11, 2010, the Big Ten Council of Presidents/Chancellors (COP/C) approved a formal membership application by Nebraska, which officially joined the Big Ten Conference on July 1, 2011.

The conference expanded to 14 programs when Maryland and Rutgers officially became Big Ten members on July 1, 2014, giving the conference almost 9,500 students participating in intercollegiate athletics and more than 11,000 participation opportunities on 350 teams.

On June 3, 2013, the Big Ten announced that Johns Hopkins had been accepted as the conference's first sport affiliate member. Johns Hopkins' addition in men's lacrosse gave the Big Ten six institutions sponsoring the sport, allowing the debut of men's lacrosse as an official conference sport. On June 17, 2015, the conference announced that Johns Hopkins was accepted as a sport affiliate member for women's lacrosse beginning in 2016-17. On March 23, 2016, the conference announced that Notre Dame will join the Big Ten for men's ice hockey beginning in 2017-18.

Since opening in the fall of 2013, the Big Ten Conference Center in Rosemont, Ill., has played host to more than 300 meetings annually for member institutions, Big Ten Academic Alliance-related committees and coaching groups. The headquarters also feature an interactive digital museum - the Big Ten Experience - which opened to the public on June 7, 2014. For more information on the Big Ten Experience, visit bigten.org.

In June 2014, the Big Ten opened a second office in New York City, featuring both office and meeting space in Midtown Manhattan. Three Big Ten staff members are based in the New York City office to provide expanded coverage and service. The conference manages 28 championships and tournaments, offers legislative and compliance services, oversees the production and distribution of nearly 1,400 events annually, provides staff services to coaching and administrative personnel and services media and fans interest for information on the Big Ten Conference.

More than 120 years after its inception, the Big Ten remains a national leader in intercollegiate athletics on and off the field. Big Ten programs have combined to win more than 450 team and 1,800 individual national championships, consistently taking home individual honors for athletic and academic accomplishments and fulfilling the Big Ten's mission of academic achievement and athletic success.

BIG TEN SWIMMING & DIVING CHAMPIONSHIPS

The 2017 Big Ten Championships will be held at the Boilermaker Aquatic Center on the Purdue campus in West Lafayette, Ind. Opened in 2001, the Boilermaker Aquatic Center serves as the home to Purdue's men's and women's program while also providing recreational swimming on campus. The Big Ten Championships are scheduled to run Feb. 15-18, 2017.

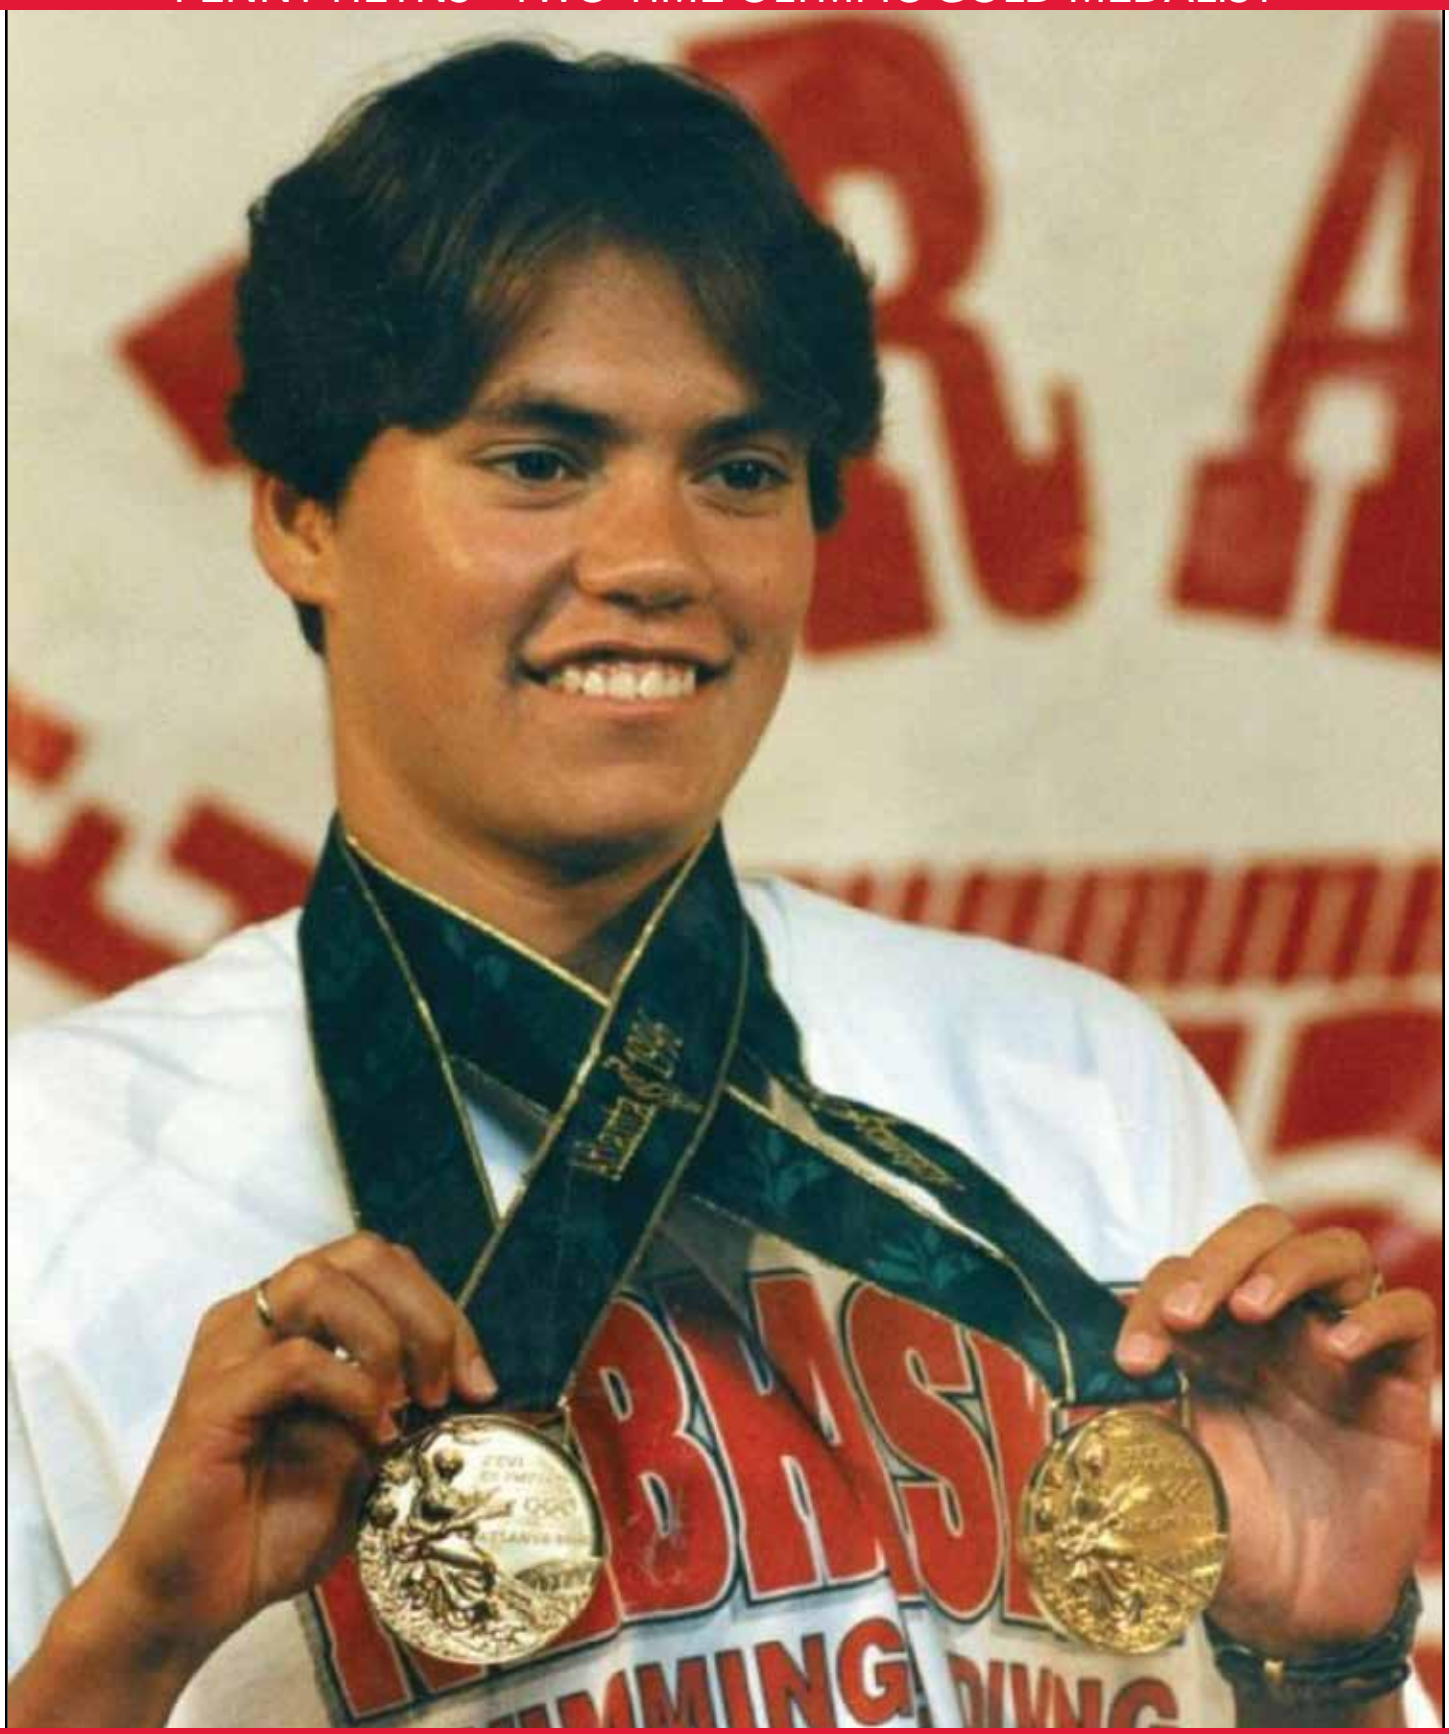
PENNY HEYNS - TWO-TIME OLYMPIC GOLD MEDALIST



REVIEW & HISTORY

FILIPCIC LEADS NU TO TOP NCAA FINISH SINCE 2006

The Nebraska swimming and diving team produced its best NCAA Championships finish in a decade while continuing to slash times across the board during the 2015-16 season.

Anna Filipcic, a junior diver from Omaha, Neb., captured honorable-mention NCAA All-America honors with her 10th-place finish on the one-meter board at the 2016 NCAA Championships in Athens, Ga. Filipcic's performance gave her Nebraska's first All-America award since Lauren Bailey accomplished the feat in 2006.

Filipcic, who added second-team All-Big Ten honors on the season, secured Nebraska a 39th-place team finish at the NCAA Championships. It was NU's best finish at nationals since taking 36th in 2006.

Filipcic symbolized a continuing rise for the Husker swimming and diving program under Head Coach Pablo Morales, Head Diving Coach Natasha Chikina and Associate Head Coach Patrick Rowan. Filipcic was the Big Ten Conference runner-up in the one-meter dive and also set a school record during the season on the three-meter board.

She advanced to the 2016 NCAA Championships in both the one-meter and three-meter events with strong showings at the NCAA Zone D Diving Meet in College Station, Texas, March 7-9. At the NCAA Zone competition, Filipcic finished fifth on the one meter, while adding a ninth-place finish on the three-meter board to set up her performance at nationals.

"Anna performed extremely well on the one meter at the NCAA Championships, and we were so excited to see her come away with All-America honors," Morales said. "She has worked so hard to improve all of her dives, and she was so proud to represent Nebraska in such a positive way. She is not only a terrific diver, she is a great leader and person."

While Filipcic claimed Nebraska's biggest postseason performances, she was far from alone in helping the Huskers raise their standards across all events in 2015-16.

Taryn Collura, a senior from Phoenix, Ariz., led Nebraska throughout the season. Collura captured 18 victories during the season and posted Nebraska's best times in the 50-yard freestyle (22.51), 100 free (48.87) and 100 butterfly (53.21). Collura capped her season with a trio of top-10 finishes at the Big Ten Championships. She notched Nebraska's top individual swimming finish with a tie for fifth with her career best in the 100 butterfly. She added a seventh-place showing in the 50 free and a ninth-place showing in the 100 free at the Big Ten meet.

Taryn Collura closed an outstanding career with 18 victories for the Huskers in 2015-16, before posting a trio of top-10 finishes at the Big Ten Championships. Collura also swam in a pair of events at the U.S. Olympic Trials.

Collura's performance in the 100 fly led a group of four Huskers who finished in the top 16 in the event at the Big Ten Championships. Freshman Dana Posthuma posted her first career top-10 finish at a Big Ten meet by touching the wall in 59.98. Posthuma was just ahead of senior teammate Bria Deveaux, who finished 11th in 53.99. Erin Oeltjen rounded out Nebraska's best event showing at the conference meet by taking 15th in 54.67.

Collura closed her senior season with a career-best 100-yard freestyle time of 48.87 at the Last Chance Meet in Athens, Ga., on Feb. 28. She also won the 50 free at the Last Chance Meet and competed in the 200 free, but was unable to qualify for the NCAA Championships in any of the three events.

However, Collura had more swims left, competing alongside five Husker teammates at the U.S. Olympic Trials at the CenturyLink Center in Omaha, June 26-July 3.

"Taryn has been a huge part of our team and our success in the pool, in the classroom and in the community," Morales said. "She was a school-record-setting swimmer, and she swam with great intensity. She was always one of our leaders in dual meets, and she really capped her career at Nebraska with a great season by being named our co-MVP along with All-American Anna Filipcic. Taryn has been a huge contributor in all areas of our program."

Collura, who competed in the 100 fly and the 50 free at the Olympic Trials, was joined in Omaha by fellow senior Alexandra Bilunas. Before competing in her hometown waters in Omaha, Bilunas qualified the day after the Big Ten Championships. Bilunas qualified on her third attempt in a time trial after Husker assistant Pat Rowan convinced officials to give her one more chance after just missing cuts in the 50 and 100 freestyle time trials.

"It was really a great moment, a special memorable moment for all of us who witnessed it," Morales said. "Every person in that building was cheering as hard as they could for her. You could see people who didn't even know her, pumping their fists in the air and shouting when they finally determined that she achieved the cut. It was like a scene from a movie."

Another Husker and Omaha native to compete at the U.S. Olympic Trials was Oeltjen. She participated in both 100 and 200-meter backstrokes at the U.S. Trials. Oeltjen produced NU's best time of the season in the 200 back (1:57.46) in the preliminaries at the Big Ten Championships. She went on to finish 16th in the finals.

Oeltjen recorded 20 top-five finishes, including five victories as a junior for the Huskers. She set career bests in the 50 free, 100 fly and 200 back in 2015-16.

"Erin has some terrific talent that is really just starting to rise to the surface," Morales said. "Erin is a great student, a great teammate, a great leader and a great person. She is a two-time captain for us, so that gives you a pretty good indication how much respect our entire team has for her and her work ethic."

Fellow junior Katt Sickle also earned a trip to the U.S. Trials. During the season, Sickle racked up 22 top-five finishes, including seven victories and eight runner-up finishes. She led the Big Red with a 15th-place finish in the 500 freestyle at the Big Ten Championships.

After competing in the 400-meter free at the U.S. Olympic Trials, Sickle underwent shoulder surgery and is expected to redshirt in 2016-17, which will give the recent Husker graduate two years to possibly complete a master's degree while competing for the Huskers.

"Katt has shown a lot of courage throughout her career at Nebraska, and she is such an outstanding young woman," Morales said. "She has the intelligence to know that she has a great opportunity to continue her education the next two years at Nebraska. I think we are all looking forward to an opportunity to see her swim when she is truly healthy."

Jordan Ehly added a swim of her own at the U.S. Olympic Trials. The sophomore from Albuquerque, N.M., competed in the 200 breaststroke in Omaha after finishing 20th in the event at the 2016 Big Ten Championships. Ehly produced Nebraska's top times in both 100 (1:02.66) and 200 (2:14.67) breaststroke events in 2015-16.

"Jordan came to us as a fairly accomplished swimmer, and we think she is putting herself in a position to make a significant jump in performance," Morales said. "Jordan is a really good leader, and she is unbelievable in training."

Morgan McCafferty rounded out Nebraska's contingent at the U.S. Olympic Trials. The youngest Husker in the group as a true freshman, McCafferty swam the 100 back in Omaha. The Reynoldsburg, Ohio, native also produced Nebraska's top finish in the event (29th) at the 2016 Big Ten Championships. She also competed for the Huskers in the 200 back and the 200 individual medley at the Big Ten meet for the Huskers.

Another freshman who provided major contributions in 2015-16 was Kaylyn Flatt. The newcomer from Centennial, Colo., posted Nebraska's top finish in the 1,650-yard freestyle at the Big Ten Championships by taking 21st in a Husker season-best 16:43.17. She added NU's No. 2 finishes in both the 500 free (30th) and 200 free (42nd) at the conference meet.

Dana Posthuma, who finished 10th in the 100 fly and 28th in the 200 fly at the Big Ten Championships, also made an immediate impact as a true freshman.

Jacqueline Jeschke and Canadian Olympic Trials participant Cassandra Brassard also provided strong contributions as freshmen for the Huskers in the pool, while freshman diver Katrina Voge added top-25 conference finishes in both the platform (17th) and three-meter dives (25th) for the Big Red.

The impressive contributions of Nebraska's 11-member freshman class showed that the Huskers were creating a solid foundation to replace a successful nine-member senior class in 2015-16.

Collura and Bilunas were significant contributors in not only the individual events, but also in Nebraska's successful relay groups. Collura competed in all five of Nebraska's relays at the Big Ten Championships, including NU's fifth-place 800 free relay squad. Bilunas was a key contributor in both the 200 and 400 relays for the Huskers.

Fellow senior Bria Deveaux swam in four of Nebraska's five relays, while senior Jacqueline Juffer was one of Nebraska's top backstrokers.

Senior swimmers Michaela Cunningham, Katie Ditter, Samantha Hardewig and Krista Van Wie joined accomplished diver Nicole Schwery in rounding out a deep and talented senior class for Nebraska.

Not only was the senior class successful in the pool, they were remarkable in the classroom and the community.

For the second straight season, the swimming and diving program captured Nebraska's Herman Team GPA Award, which is presented to the Husker women's program with the top grade-point average among all of NU's female sports. The swimming and diving team closed 2015 with a 3.581 cumulative GPA.

Nebraska's 3.59 GPA during the spring of 2016 also ranked as the No. 13 grade-point average in the nation among all women's college swimming and diving programs.

The Huskers, who were recognized as one of the College Swimming and Diving Coaches Association of America (CSCAA) Scholar All-America Top 20 teams, also had 10 individuals named CSCAA Scholar All-Americans.

Filipcic led the group by carrying better than a 3.50 GPA while also competing in the NCAA Championships to earn first-team CSCAA Scholar All-America honors. Collura, Hardewig and Schwery led the seniors among Nebraska's CSCAA Scholar All-America selections, while Oeltjen and Sickle joined Filipcic in representing the NU juniors. Sophomores Ehly and Francesca Giganti, joined freshmen Voge and Lindsay Helferich in round out the Husker honorees.

Helferich and Oeltjen joined Van Wie in demonstrating the program's outstanding commitment to community service by earning prestigious Nebraska Student-Athlete HERO Leadership awards. Van Wie, Hardewig and Cunningham also participated in Nebraska's Service Trip Abroad in May. The trio was among 20 Husker student-athletes who traveled to the Dominican Republic to assist the community of Las Pajas with multiple projects.

Cunningham, a senior from Severna Park, Md., added more accolades outside of the pool by earning one of just eight Nebraska Outstanding Scholar awards across all of Husker sports. Cunningham led a list of seven Big Ten Distinguished Scholar honorees for the swimming and diving program, joining Collura, Ehly, Filipcic, Hardewig, Sickle and Van Wie.

Nebraska featured 17 academic All-Big Ten selections among the swimming and diving program in 2015-16.

The Huskers also celebrated the graduations of eight members of the program in 2015-16, led by Collura, Cunningham, Juffer, Sickle, Van Wie, Kelly Dunn, Natalie Morris and Savannah Wagner.

While the season ended with a collection of honors and awards after demonstrating excellence in competition, the classroom and in the community, the season began with a dual loss to Arkansas (174-125) at the Devaney Natatorium on Oct. 3. The Big Red rebounded quickly from the setback to the Razorbacks, reeling off impressive home wins over Iowa State (187-113, Oct. 9) and South Dakota State (180-109, Oct. 31) sandwiched around a road win at Northern Iowa (150-88, Oct. 30).

Following a dual loss at Kansas (180-119, Nov. 6), the Huskers responded with one of their best performances of the year in winning the Big Challenge (formerly the Kansas Classic) in Topeka, Nov. 20-22. Nebraska racked up 969 points to beat Kansas (892), Illinois (763.5), Iowa State (517.5), Northern Iowa (200) and Omaha (123) in the invitational format.

The Huskers notched dual wins at Omaha (178-114, Jan. 15) and over Illinois on Senior Day at the Devaney Natatorium (162-138, Jan. 23) before closing the dual campaign with a setback at Washington State on Jan. 29-30. Despite the loss Nebraska ended the dual season with a solid 5-3 record.

INDIVIDUAL ACADEMIC AWARDS

CoSIDA ACADEMIC ALL-AMERICA AWARD WINNERS

KAITLIN ARNTZ 2010

Kaitlin Arntz earned her place among Nebraska's NCAA-leading 325 CoSIDA Academic All-Americans by capturing third-team honors in the at-large category following her senior season for the Huskers in 2010.

Arntz was one of Nebraska's top breaststroke and individual medley swimmers during her time in Lincoln. She capped her outstanding career by becoming the first CoSIDA Academic All-America women's swimmer in school history. She joins former Husker diver and first-team honoree Courtney Jensen (2000) as the only members of the Nebraska women's swimming and diving program to capture Academic All-America accolades.

Arntz capped her competitive career with a fourth-place finish in the 200-yard breaststroke at the 2010 Big 12 Championships. She added a fourth-place performance in the 100 breast and a sixth-place showing in the 200 IM.

She finished fifth in the 200-yard breaststroke and 11th in the 200 IM at the 2009 Big 12 Championships. She was Nebraska's team MVP as a junior.

As both a freshman and sophomore, Arntz finished eighth in the 200 breast and 10th in the 100 breast at the Big 12 Championships.

Arntz joined the Huskers after a stellar high school career at Millard West in Omaha. She was a 16-time All-American at Millard West and a five-Nebraska state champion. She closed her high school career holding seven school records.

An advertising major at Nebraska, Arntz was nominated with a 3.94 cumulative GPA. She also earned first-team CoSIDA All-District VII honors. An honorable-mention CSCAA Scholar-All-America selection in 2010, Arntz was also a three-time academic All-Big 12 Conference selection for the Big Red from 2008 to 2010.

COURTNEY JENSEN 2000

Courtney Jensen capped an outstanding academic and athletic career as a first-team CoSIDA Academic All-America selection in the at-large category as a senior in 2000.

Jensen, a Husker co-captain and four-year letterwinner from Sheridan, Wyo., was a leader for Nebraska in the diving well throughout her career.

As a senior, Jensen produced a career-best 11th-place finish on the three-meter board at the 2000 Big 12 Conference Championships. She added a 17th-place performance in the one-meter dive.

As a junior, Jensen took 13th on the three-meter board at the 1999 Big 12 Championships, while adding a 23rd-place finish in the one-meter event.

Those performances followed a sophomore season in which she placed 21st on the three-meter and 22nd on the one-meter at the 1998 Big 12 Championships.

She opened her Husker career with 13th-place finishes on both the one- and three-meter boards as a freshman at the 1997 Big 12 meet.

A high school All-American both in competition and in the classroom, Jensen was a two-time Wyoming state champion at Sheridan High School.

An elementary education major at Nebraska, Jensen was nominated for the CoSIDA Academic All-America At-Large team with a perfect 4.0 grade-point average. She claimed first-team CoSIDA All-District VII honors to advance to the national ballot and become Nebraska's first female swimming and diving CoSIDA Academic All-American.

NEBRASKA'S GOLDEN PENNY

PENNY HEYNS

Amanzimtoti, South Africa
- Olympic Gold Medalist
- Olympic Bronze Medalist
- World Record Holder

It's not every day you run across a golden penny.

But for South Africans and Nebraskans alike, there was one shining bright at the 1996 Olympic Games in Atlanta.

Penny Heyns, a former University of Nebraska standout, earned two gold medals and became the first female in Olympic history to sweep the breaststroke events.

Heyns' whirlwind year of success began on the collegiate level. In Husker suit and cap at the 1996 Big Eight Championships in mid-February, Heyns set a then-NCAA and U.S. Open record in the 200-yard breaststroke (2:08.90), as well as an NU record in the 100-yard event (1:00.18) to help Nebraska win its third consecutive conference crown.

After setting the records, Heyns was forced to travel home for the South African Olympic Trials, which were inconveniently scheduled between the two most important collegiate meets, the conference and national championships.

Nevertheless, it proved to be a trip Heyns would never forget.

During the preliminary heat of the 100-meter breaststroke at the trials, Heyns set a world record with a time of 1:07.46.

The time broke the record held by Australia's Samantha Riley, who had set a mark of 1:07.69 in September, 1994.

Just days after her return from South Africa, Heyns became the first Husker to win a national championship at the NCAA Championships in Ann Arbor, Mich.

Heyns dominated the 100-yard breaststroke with a pool-record 1:00.27 and also earned a silver medal in the 200-yard breaststroke with a 2:09.71 performance.

Heyns then entered the Olympics as the frontrunner in the 100-meter breaststroke event. She proved she had earned that title in the preliminaries, as she blew away the competition and shattered her own world record in a clocking of 1:07.02 in the process.

In the finals, Heyns got off to a quick start, but didn't dominate as she had in the prelims. America's Amanda Beard began her trademark kick at the 50-meter mark and almost caught Heyns at the wall. Heyns held on to finish in 1:07.72 and edged Beard (1:08.09), to claim gold for the first time.

Two days later, Heyns proved she wasn't finished.

After setting an Olympic record of 2:26.63 in the preliminaries of the 200-meter breaststroke, Heyns was timed at 2:25.41 in the finals and again beat out Beard (2:25.75) for the gold. Beard entered the Olympics ranked No. 1 in the 200, but couldn't catch up with the quick pace Heyns set from the start.

"That was one of the hardest races I ever swam," Heyns said following the race. "I'm just glad I had the guts to hang in there."

At a press conference in Lincoln, Neb., the week following her gold medal performances, Heyns admitted she was surprised about the win in the 200.

"In some ways, I sit back, and I really can't believe it," Heyns said. "The 200 (win) was totally unexpected. I don't think it has sunk in yet."

An extremely successful career at Nebraska fine-tuned Heyns for Olympic success. A 15-time All-American and 14-time conference champion for the Huskers, Heyns left Nebraska as the most decorated swimmer in the program's history. Heyns' accomplishments at Nebraska and on the international level will always be recognized.

Heyns has continually showed her appreciation for the University of Nebraska and its athletic department.

Following her double gold medal performance, Heyns didn't waste any time in thanking the Nebraska Swimming and Diving Program and its support staff for the role they played in her Olympic success.

For the next four years Heyns continued to define excellence in the sport of swimming on a world-class level by producing one of the greatest performances in the history of the sport.

At the 1999 Pan Pacific Championships, Heyns established three world records. Winning gold in both the 100- and 200-meter breaststrokes, Heyns touched the wall in 1:06.52 and 2:23.64, respectively, both world bests.
